

PRESS RELEASE

Morning unveils "Suivre Son Étoile": a powerful and inspiring pop-rock song

Morning (#legroupepmorning) is back in the spotlight with a new single: *Suivre Son Étoile*. Available on March 28 on all digital platforms, this energetic pop-rock track is already shaping up to be a must-have.

With its **catchy melody and song lyrics**, and a neat instrumentation mixing guitar, drums, bass and touches of synth, *Suivre Son Étoile* captures us from the very first notes.

The **powerful and expressive voice** of Alexandra, the singer of the band, gives an additional intensity to this track of hope and determination.

An ode to perseverance and dreams

Written by **Carole Send** and composed by **Albert Palombo** - the band's songwriter and composer - the song invites us to pursue our dreams, overcome doubts and believe in our destiny, despite uncertainties and obstacles.

We are very proud of this new track "Suivre Son Étoile". Through its music and its words, we all let ourselves be transcended to the height of our dreams and hopes, declares Albert Palombo, the band's founder.

A distinctive musical style and sound identity

With *Suivre Son Étoile*, a track combining strength and sensitivity, **Morning** confirms its unique identity: a powerful blend of **accessible rock and luminous pop**, demonstrating a musical approach that is both accessible and sophisticated.

The guitar, which plays the musical theme, gives the song a unique dynamic, while the rhythm section instills an infectious energy.

The band is also distinguished by the powerful and expressive female voice which give each track a marked emotional intensity.

Having already made a name for themselves with the release of their **album "Hors-Champ"** in November 2024 - including *Kiss Me in the Night* where the band brilliantly alternated between French and English - **Morning** have established themselves as a key player on today's music scene.

An expected release

The **Morning** band, known for **their creative performances and rich musical universe**, promises a nice surprise with this new track. A song that will undoubtedly resonate with many fans of good pop-rock news.

🎵 *Suivre Son Étoile* is available **on March 28 on all streaming and download platforms**.

🎬 You can also discover **the video clip on their YouTube channel**, directed by **Florent Bidoyen** (who also mixed and mastered the single), notably known for his direction on the albums of Vincent Niclo, Manau, Natacha St-Pier, Scarlett Skye, Battista Acquaviva...

Production: Albert Palombo.
